

Program Goals

1 Create Green Jobs

Green jobs for Illinois residents will help address job shortages in fields such as construction, renewable power, and energy efficient renovations.

2 Career Building

Increase skills, trade, and career opportunities for the underemployed or unemployed in St. Clair County, IL.

3 Energy -Efficiency

Improve energy-efficiency with home construction and appliances, while assisting in lower energy costs for low-income residents.

Training is funded by the Illinois Department of Commerce and Economic Opportunity.
